ABOUT THE CONTEST

The international contest PhD3M (PhD thesis in 3 min) will be organized on **24 April 2024**, during the [SSD'24](#), which will be held at Tishk International University, Erbil-Iraq. It is an opportunity for PhD students to exchange ideas, improve their communication skills, and showcase their research work which should only be related to **Electrical Engineering and Information technology**.

Using up to five slides and a period of exactly 180 sec, participants should use simple but concise words to explain their research work to a diverse audience. In addition, they should convince them of its impact on the real world through nowadays hot applications.

Financial sponsorship of this IEEE PhD3M competition is kindly offered by:

- ✓ [Tishk International University \(TIU\)](#), Erbil, Kurdistan Region - Iraq
- ✓ [Green Circle Company](#), Amman - Jordan

This contest is co-organized and technically co-sponsored by IEEE SSCS Tunisia Chapter.

DETAILS FOR PARTICIPATION

To be able to participate in this 2024 edition of the PhD3M competition, you should:

- 1) prepare a 180 sec video recording using a maximum of 5 slides, as explained above, and
- 2) be either a PhD student in the final phase of the thesis, or a new doctor (thesis defended during 2023 or above)

Submissions, in English, should be done using this form [2024 PhD3M](#) and will be peer-reviewed by members of the Scientific Committee based on the level of their: **understanding** of the research work (**10**), and **conviction** of the work importance (**10**).

Based on review results, the best submissions will be short-listed. The preselected participants will be notified by email. They should present their work in person on 24 April 2024. The same evaluation criteria will be used as those for submission. But, during the competition, marks will be collected from an *enlarged version of the Scientific Committee and the audience*.

Submission deadline: Sunday, 7 April 2024 & Notification: Sunday, 14 April 2024

CERTIFICATES & AWARDS TO STUDENTS

A certificate will be issued to each preselected participant. Also, **cash prizes**, offered by the sponsors, will be awarded to:

1st winner: **600 \$** 2nd winner: **500 \$** 3rd winner: **400 \$** 4th winner: **300 \$** 5th winner: **200 \$**

In case other sponsors are identified, higher and/or more cash prices will be announced.

PUBLICATION OF THE CONTEST RESULTS

Extended results summary of the 2024 IEEE PhD3M competition will be published in the **IEEE Solid-State Circuits Magazine**, as was done for previous editions: the [2022 3M4Q Competition](#), and the [2023 PhD3M Competition](#).
